### **Volunteers Needed For Victorville Community Clean Up Day—Saturday, October 25<sup>th</sup>**

The Victorville Chamber of Commerce, in cooperation with the City of Victorville, is organizing a city-wide Victorville Community Clean Up Day on Saturday, October 25<sup>th</sup>. Last April, more than 300 people volunteered to help pick up litter from around 20 different locations in the City of Victorville and over 4 tons of litter were collected. The goal this time is to again recruit over 400 volunteers who will go out in teams to pick up litter from 20 different locations around the City during the morning. Volunteers will receive a free t-shirt and will be treated to a free lunch after the clean up.

The Community Clean Up Day will be held on the same day as the County's Free Dump Day at the Victorville Landfill. In addition, the City of Victorville's Household Hazardous Waste Collection Center on Love's Lane will be open from 9:00 a.m. to 4:00 p.m. to accept hazardous materials, computers, TV's, and passenger vehicle tires for free on that day. The City's Victor Valley Materials Recovery Facility will also be open from 8:00 a.m. to 12 noon and will be accepting scrap metal, TV's, and computers free of charge.

Interested residents who would like to volunteer for the clean-up should fill out a registration/waiver form and send it back to the Chamber of Commerce as soon as possible. Registration forms can be obtained from the Victorville Chamber of Commerce website at [www.vvchamber.com](http://www.vvchamber.com), or volunteers can stop by the Chamber offices at 14174 Green Tree Boulevard. Those with questions can call the Chamber at 245-6506.

For more information about the following items, residents should call:

Countywide Free Dump and Recycling Day: 1-800-722-8004

City of Victorville Household Hazardous Waste Collection Center: 955-5229

Victor Valley Materials Recovery Facility: 241-1284
